HIPAAANSWERS™, INC. DEBUTS NEW PROFESSIONAL SERVICES

Minneapolis, MN October 14, 2004 – HIPAAAnswers™, Inc. a leading HIPAA Compliance solutions provider announced today the debut of a new service offering that will revolutionize the HIPAA compliance industry.

Fast-Track™ Privacy Compliance is the newest service from HIPAAAnswers™. Fast-Track™ offers you the quickest, easiest way to become compliant with Federal HIPAA privacy regulations while exerting minimal effort. Fast-Track combines HIPAAAnswers™ leading web-based software with the services of its Professional Services Group. Customers need only dedicate a couple hours of their time and a reasonable price tag for HIPAAAnswers™ to complete all of their HIPAA Privacy requirements. Fast-Track™ Privacy Compliance includes all policies and procedures for federal HIPAA regulations as well as State Preemptions compliance, employee training and on-going updates via HIPAAAnswers™ software.

“We have been performing this service for quite some time and are now at a point where process and execution are polished, and these services can be formally released to the market.” commented Scott Thiele, President and CEO of HIPAAAnswers™.

HIPAAAnswers™, Inc. founded in 1997 is a Minnesota-based solutions provider for HIPAA compliance. HIPAAAnswers™, Inc is a service of Hard Lake Solutions. For more information visit the company website at www.hipaanswers.com or call toll free at 866-326-6785.
